“When at the end of the road we find that we
can no longer function as a human being,
either with or without drugs, we all face the
same dilemma. What is there left to do? There
seems to be this alternative: either go on the
best we can to the bitter ends - jails institutions
or death, or find a new way to live. In years
gone by, very few addicts ever had this last
choice. Those who are addicted today are more
fortunate. For the first time in man’s history, a
simple way has been proving itself in the lives
of many addicts. It is available to us all. This is
a spiritual, not religious program, known as
Narcotics Anonymous.”
